from the recent exposure of this Adidas D Lillard 1 Sample, it is obvious that unlike the actual version, mainly followed by the design of Logo. In the proofing phase, the word "D" appears different from the Lillard logo, which appears like a wing shape. In addition, the red and black color is also the first exposure. Anyway, everything will be clear when D Lillard 1 is officially released.

shoe designer Ronnie Fieg in charge of the shop to celebrate its 5th anniversary Kith, for which he has long been close cooperation with the sports brand ASICS again teamed up to launch a series of two works, previously in Twitter, Instagram has released preview, recently also discloses the complete information project. For the 5th anniversary special proposal, Ronnie Fieg noting that he and ASICS have worked together since 2007 also had ten years, so he felt the first time issued a joint "252" Pack prototype shoes Gel-Lyte III should become the angle to the celebration, has created a blueprint. This step is thinking in those elements, what is interesting is that Ronnie Fieg said at this stage the team partners constantly advised him to take this opportunity to 'Super Green' to the public sale, the first color is to cooperate with the Soles4Souls unit in the 2013 charity project was born, in aid of the Haiti earthquake victims rebuild their homes, only a small amount of production of about three hundred pairs available to local residents and brand staff (Note: no wonder we should encourage the Ronnie Fieg, Failed to start the obsession but deep drop..XD), then he thought that the design is quite significant on their own, so the decision to 'Super Green' came back, and created by the Japanese shoe master by hand, through the process of the highest quality and professional technology to reproduce the classic.

also comes equipped with GEL-NIMBUS ASICS Gel-Lyte 3.1 Chinese shoes structure, Ronnie Fieg said that in fact the idea has existed for a long time, with their age and maturity also really want to make some changes and try, as of 2007 Gel-Lyte III even has not now have so many shoes many attention but he still has the courage to try. "No one love change, but change is an inevitable process, a new type of shoes this reflects on the ASICS LifeStyle series product evolution direction the idea of his own heart, but also represents in the process and how to work with the brand in classic shoes or new products to the world is to let more people know. ASICS Gel-Lyte 3.1 is not only special, but only plans to launch three color matching, and then will not be produced, the first debut is "Super Green" version.

Ronnie, Fieg, x, ASICS, Super, Green, two shoe types, each limited edition, 700 pairs, is scheduled for May 21st in the United States on the market, Gel-Lyte III only in the KITH entity store and network business >
